

## National Hospice and Palliative Care Organization End Result Outcome Measures (EROM) 2011 Data Submission Worksheet

**Directions:** Please use this sheet to compile your information before submitting data online through the NHPCO DART System. Should you have questions regarding any part of the EROM data collection and reporting process, please direct them to our dedicated e-mail address: [EROM@nhpco.org](mailto:EROM@nhpco.org).

Reporting Period (circle one): Q1 Q2 Q3 Q4

### **SECTION A: CONTACT INFORMATION**

#### **Hospice Profile**

- A1. NHPCO Provider ID \_\_\_\_\_  
A2. Hospice Full Name \_\_\_\_\_  
A3. Address \_\_\_\_\_  
A4. City \_\_\_\_\_  
A5. State \_\_\_\_\_  
A6. Zip \_\_\_\_\_

#### **Contact Person**

- A7. First Name \_\_\_\_\_  
A8. Last Name \_\_\_\_\_  
A9. Phone \_\_\_\_\_  
A10. Email \_\_\_\_\_

### **SECTION B. REPORTING PERIOD**

B1. Reporting period for all of the outcome measures: Data collection started (mm/dd/yyyy): \_\_\_\_\_

B2. Admissions: Number of patients admitted during quarter: \_\_\_\_\_

B3. Discharges: Number of discharges (deaths plus non-death discharges) during quarter: \_\_\_\_\_

### **SECTION C. DATA COLLECTION FOR CORE MEASURE SHEET INFORMATION**

#### **COMFORTABLE DYING MEASURE**

**Admission Assessment - Question on Admission:** "Are you uncomfortable because of pain?"

C1. Number of patients who answered "Yes": \_\_\_\_\_

C2. Number of patients who answered "No": \_\_\_\_\_

C3. Number of patients excluded: \_\_\_\_\_

**Follow-Up After 48 Hours** (includes only patients who answered "Yes" for C1 above) -  
Question after 48 hours: "*Was your pain brought to a comfortable level within 48 hrs of admission to hospice?*"

**Note:** The number of patients in C4 plus C5 plus C6 should equal the number of patients in C1, above.

C4. Number of patients who answered "Yes": \_\_\_\_\_

C5. Number of patients who answered "No": \_\_\_\_\_

C6. Number of patients unable to self-report at follow-up: \_\_\_\_\_

## **SELF-DETERMINED LIFE CLOSURE MEASURE**

**NOTE:** These measures are calculated only for patients who are discharged. Assessment of patient preference begins, however, at admission and continues throughout the period of service.

### **Recorded Patient Preferences**

C7. Number of patients discharged in quarter for whom hospitalization preferences were recorded: \_\_\_\_\_

C8. Number of patients discharged in quarter for whom hospitalization preferences were NOT documented: \_\_\_\_\_

C9. Number of patients discharged in quarter for whom CPR preferences were recorded: \_\_\_\_\_

C10. Number of patients discharged in quarter for whom CPR preferences were NOT documented: \_\_\_\_\_

**Hospitalization – Question:** "*Do you want to avoid hospitalization if your condition worsens?*"

C11. Number of patients who answered “Yes” on admission (prefer to avoid hospitalization): \_\_\_\_\_

C12. Number of patients who answered “No” on admission (do NOT want to avoid hospitalization):- \_\_\_\_\_

C13. Number of patients who were Undecided on admission: \_\_\_\_\_

C14. Number of patients who changed preference to “Yes” (prefer to avoid hospitalization) sometime after admission: \_\_\_\_\_

C15. Number of patients who changed preference to “No” (do NOT prefer to avoid hospitalization) sometime after admission: \_\_\_\_\_

C16. Number of patients who were hospitalized and who, at that time, had a stated preference to avoid hospitalization: \_\_\_\_\_

**CPR – Question on Admission:** *“Do you want cardiopulmonary resuscitation if your heart or lungs stop working?”*

C17. Number of patients who answered “Yes” on admission (desire CPR): \_\_\_\_\_

C18. Number of patients who answered “No” on admission (do NOT want CPR):  
\_\_\_\_\_

C19. Number of patients who were Undecided on admission: \_\_\_\_\_

C20. Number of patients who changed preference to “No” (do NOT want CPR) sometime after admission: \_\_\_\_\_

C21. Number of patients who changed preference to “Yes” (desire CPR) sometime after admission: \_\_\_\_\_

C22. Number of patients who received CPR and who, at that time, had a stated preference not to have CPR: \_\_\_\_\_
