NHPCO COVID-19 Update – 06/09/20

NHPCO has created this update for hospice and palliative care providers to share recent news and helpful links.

“Do not let what you cannot do interfere with what you can do.”
– John Wooden

NOTE: COVID-19 Update recipients, please note that NHPCO’s COVID team will plan to issue Updates on a Monday, Wednesday, and Friday schedule – should there be helpful news and links to share. This new publishing schedule will begin tomorrow, June 10. Of course, if urgent news breaks, NHPCO will issue an Update as needed to assist the provider community.

Policy Update

CMS Posts Reopening Healthcare Facility Guide for Patients
CMS released a guide for patients and beneficiaries as they consider their in-person care options. As states and regions across the United States see a decline in cases of COVID-19, CMS is providing these recommendations to ensure that non-emergency healthcare resumes safely and that patients are receiving needed in-person treatment that may have been postponed due to the public health emergency.
