Dues and Optional Services

Dues are based on the number of new hospice patients admitted during the previous 12 months - for all locations affiliated with the organization. Members are expected to include admissions from all hospice locations within their organization when calculating dues. Individual hospice service sites of a corporate entity may not join separately.

OPTIONAL SERVICES

❑ Online Material Safety Data Sheet (MSDS) Program.
The annual fee for the first location is $55 and $27.50 for each additional location. If ordering subscriptions for more than one location, use the additional section to identify the MSDS program contacts at each location.

Journal of Pain and Symptom Management (JPSM), is the official Journal of NHPCO! This peer reviewed, internationally respected journal offers a forum for the exchange of ideas and information. Published monthly, the JPSM serves an interdisciplinary audience – providing the results of important new research and clinical practice. By adding a subscription with your membership you pay only $160 compared to the $579 you would pay if subscribing without an NHPCO membership.

Benefits
- Full online access to your subscription and archive of back issues
- Table of Contents alerts
- Access to all multimedia content, e.g. podcasts, videos, slides
- Fully-optimized mobile browsing experience on your smartphone or tablet

MSDS, Safety Data Sheet How much are you spending on your current OSHA safety data sheet requirements? More than $55? If so, NHPCO can help you save! NHPCO’s partner, MSDSonline®, provides an online library of safety data sheets, or SDSs (formerly known as material safety data sheets, or MSDSs). MSDSonline® has millions of safety sheets that contain the information you need to keep your organization safe from dangerous chemicals such as methanol, acetone, hydrochloric acid and millions of other hazardous substances.

The benefits to this online program include:
- OSHA-compliant electronic MSDS management.
- 75% more efficient than paper-based systems.
- Around-the-clock access to the online MSDS database.
- Easy, right-to-know access for all staff & departments.
- Built-in regulatory reports.
- Extensive incident case management and record keeping tools
