### Reminders:

- Project ECHO supports an "all teach, all learn" format. Please be respectful of all presenters and participants.
- Please turn on your camera and ensure that your name is visible in your Zoom profile
- Participants are encouraged to ask questions and provide feedback by unmuting or by using the chat function.
- Please remain on mute unless you are speaking.
- Do not disclose protected health information (PHI) or personally identifiable information (PII)

### NHPCO Project ECHO Team

Program Director	Dr. Aparna Gupta, Vice President – Quality
Program Lead	Sarah Simmons, Director – Quality
Program Coordinator	Karuna Tamrakar – Program Specialist, Quality
IT Support	Tej Chana – Data Analyst, Quality
Content Expert	Rory Farrand – Vice President, Palliative and Advanced Care

### HIPAA/Privacy Statement

Project ECHO faculty and participants are prohibited from disclosing any protected health information (PHI) or personally identifiable information (PII) during the session. All case study materials have been deidentified.

### Session Recording Consent Statement

NHPCO Project ECHO sessions are recorded. By participating in this session, you consent to this recording.

### Disclosures

The NHPCO Project ECHO session planners and faculty disclose that they have no financial relationships with any commercial interest.

### Evaluation

You will receive an email with a link to complete a short survey about this session. Please complete the survey within 48 hours. Completion of the evaluation is required for Quality Connections credit, and we ask all participants to take the survey as it will help us improve future clinic sessions.

### Technical Support

For technical support during the session, please send a message to the Project ECHO team members designated in the Zoom session.
